

Forest School Programmes

Sayers Croft is pleased to be able to offer a variety of Forest School sessions at Paddington Recreation Ground.

Seasonal Forest School

Introduction

Forest School focuses on child-led experiential learning, giving participants a sense of ownership over the area during their regular visits.

Forest School allows children to develop independence as well as increasing their self-esteem.

School Groups (Nursery - Year 4)

Book a series of regular visits across the school year to experience the seasonal changes to our beautiful sites.

- 1 full day per term - 3 visits
- 1 half day per half term - 6 visits

Specialist Nurture Groups

On Wednesdays we offer Forest School sessions to small groups of up to 15 children to enjoy a more personalised experience.

This is perfect for SEN groups, nurture groups or booster groups and small nursery classes.

"As a teacher for over 30 years, I can honestly say, I have never taken a class to such a worthwhile educational experience."

Long Term Forest School Programme

We also run a weekly forest school immersion group for children who are home educated. We are always interested in providing groups with regular long term access and are happy to discuss any requirements you may have.

"The children have much more awareness and appreciation of the outdoors - they will sit and listen to sounds around them, discuss the landscape, watch for signs of life and enthuse about their surroundings"

Prices 2023 - 2024

Forest School Introduction, price per class, maximum of 30 children.

6 Half Day sessions: £450

3 Full Day sessions: £450
