

Forest School Programmes

Sayers Croft is pleased to be able to offer a variety of Forest School sessions at Paddington Recreation Ground.

Seasonal Forest School

Introduction

Forest School focuses on child-led experiential learning, giving participants a sense of ownership over the area during their regular visits.

Forest School allows children to develop independence as well as increasing their self-esteem.

Book a series of regular visits across the school year to experience the seasonal changes to our beautiful sites. Sessions from September - February take place in the Forest Garden, sessions from February - August take place in the Wildlife Garden.

Option 1: 1 full day per term - 3 visits

Option 2: 1 half day per half term - 6 visits.

School Classes:

Available for school groups from Nursery - Year 4, maximum group size is 30 children.

Small Groups:

SEND, Nurture and small classes can enjoy a more personalised experience. Please enquire for guidance on group size and age range.

"As a teacher for over 30 years, I can honestly say, I have never taken a class to such a worthwhile educational experience."

Long Term Forest School

We also run a weekly Forest School immersion group for home educated children from 5 - 11 years. This group is limited to 12 children. Please contact us for further details.
